ABOUT THIS FIG

FYE Seminar

Join the Spanish-speaking community on the UO campus and in the Eugene/Springfield area. You will form relationships with other freshmen as you get to know our campus and our local community, all while developing and enriching your skills in Spanish. We will celebrate Día de los Muertos festivities, attend talks and presentations together, dine out at a local Mexican restaurant and much more. The sessions will be conducted in English, Spanglish and Spanish.

First Year Spanish

Spanish 101 is the first in a series of Spanish Courses and is designed for students who have no previous Spanish instruction. The course emphasizes oral communication and listening comprehension in a culturally authentic context. Students will be exposed to simple Spanish texts in order to develop strong reading skills. Students will also work on writing skills, starting with short compositions and building up to longer ones. The course will be conducted mostly in Spanish, and all students will be expected to participate actively using the language skills they are acquiring.

How to Learn Language

In this course we will discover how to be more successful language learners (in particular), but also better learners in general. The skills taught in this class will be transferable to any learning endeavor you might take on. We will explore how to establish personal learning goals, how to learn collaboratively as a community, how to discover individual weaknesses and strengths as learners, and how to think critically and creatively about how we draw upon strengths and address weaknesses when faced with any new learning challenge. We will set individual language-learning goals and explore empirically validated learning strategies that will help reach those goals.

NEXT STEPS

After you're registered for your FIG, you will want to check out the Meet Your FIG page (<https://fyp.uoregon.edu/fall-2021-figs>). This page will have everything you need to know before the beginning of fall term, including how to email your FIG Assistant, your summer assignment, and when you will be meeting your FIG for the first time in September. In order to prepare for your coursework and be notified about important academic deadlines you will want to download the "Canvas" and "Navigate" apps to your devices. Also, be sure to visit the FYE Community page in September, which has all the resources you'll need to achieve success in your first-year (<https://fyp.uoregon.edu/community>). If you have questions about anything, make sure you email your FIG Assistant – they are here to help!
