ABOUT THIS FIG

FYE Seminar
Night Out: Eugene Theater explores the world of contemporary theatre and performance. Students will watch a combination of live and recorded theatre performances, and meet weekly to discuss these exciting works produced on Broadway, the West End, or locally here in Eugene. This FIG is a must for anyone who considers themselves a “theatre geek” or who loves experiencing live drama, musical, or dance performances. The end of term project will be a fun in-class performance where students can display their own performance skills. Join us for this entertaining, interactive, and stimulating FIG!

Introduction to Theatre Arts
Theatre has been one of the most effective means through which a society can debate issues of mutual concern, define or modify key values, and explore the potential of the human experience, and it continues to fulfill that role today. By reading and discussing plays, experimenting with aspects of design, observing performances, and writing reviews, each participant can formulate an individual awareness and appreciation of theatre arts in the world today.

Introduction to Nonprofit Sector
Overview of the nonprofit sector includes its origin, growth, oversight, and varied elements. Examines theory and research into the effectiveness of nonprofit strategies and structures.

NEXT STEPS

After you’re registered for your FIG, you will want to check out the Meet Your FIG page (https://fyp.uoregon.edu/fall-2022-figs). This page will have everything you need to know before the beginning of fall term, including how to email your FIG Assistant, your summer assignment, and when you will be meeting your FIG for the first time in September. In order to prepare for your coursework and be notified about important academic deadlines you will want to download the “Canvas” and “Navigate” apps to your devices. Also, be sure to visit the FYE Community page in September, which has all the resources you’ll need to achieve success in your first-year (https://fyp.uoregon.edu/community). If you have questions about anything, make sure you email your FIG Assistant – they are here to help!
