About the FIG:

Hip Hop and the Politics of Race encourages students to explore artistic practices of hip hop and learn how to produce and promote a hip hop music/art event. Students will also learn to situate hip hop and rap music within broader discussions of race, gender, and sexuality in the 20th and 21st centuries. The main focus of this FIG is planning the 10th annual UO Hip Hop Jam, which we will pair with the Critical Art show produced by the Remixing Media, Critiquing Culture FIG.
