## About the FIG:

Would you like to be bilingual some day? Are you drawn to art (murals, paintings, music, movies, crabs)? This FIG is designed for students with no prior experience with Spanish or up to two years of Spanish in high school. We will begin our conversations in English and slowly transition to Spanglish during the term as you gain confidence using the language. Our activities outside class will center on becoming familiar with Spanish-speaking cultures right here in Eugene. We will celebrate art as we enjoy a private tour of an art exhibition in the Jordan Schnitzer Museum of Art on campus, take a walking/bus tour of the 20x21 Mural Project in the city of Eugene, participate in Día de los Muertos festivities and even rent a local theater to watch a movie in Spanish. If you are open to meeting new people, getting extra practice speaking Spanish outside the Span 101 class, learning about art created by Spanish-speaking artists in our region and beyond, this is the FIG for you.
