

FIG Guide

Get the most out of your time at the university by joining a First-Year Interest Group (FIG) during fall term. FIGs bring groups of 20 freshmen together for a unique academic experience. FIG students take three courses together during fall term: two lecture courses and a 1-credit College Connections course.

FIGs are all about making connections! In a FIG, freshmen:

- Connect with faculty
- Connect with an undergraduate mentor
- Connect academic courses from different disciplines
- Connect with an academic theme
- Connect with peers
- Connect with campus and the Eugene community

The FIG Guide will help you explore your FIG options. For fall 2020 we have over 50 FIGs – something for everyone!

Table of Contents

FIG Theme Categories	2-4
ConFIGurations	4-10
Chemistry FIGs Enrollment, Prerequisites & Corequisites.....	11
DEEP-DIVE FIGs	11
Cluster FIGs	12
Reacting to the Past FIGs	12
FIG Runways	12
Carnegie Global Oregon FIG	13
Clark Honors College Students	13

Students in the *Speak Your Mind* FIG spend time in the UO Brain Development lab with Professor Charlotte Vaughn.

Students in the *Edible Activism* FIG volunteer at the Huerto de la Familia community garden in Eugene.

Students in the *Human Hierarchies* FIG display their final project at the FIGposium.

Theme Categories - Description - FIG List

While each FIG is distinct (with different course pairings and academic topics), FIGs are grouped together by overarching themes into 7 categories. Find themes below that interest you, and start exploring your options!

Art of Storytelling

Make sense of the world around us through stories and art

From War to Peace

In Search of Belonging: Storytelling and Community

My Visual Story

Pass the MIC

Remixing Media, Critiquing Culture (DEEP-DIVE)

Speak for Yourself!

Stories We Tell

*Chemistry FIGs Registration information, course prerequisites and corequisites

For CH 221 General Chemistry: Prerequisite: high school chemistry; prerequisite or corequisite: C- or better in MATH 111, MATH 112. Concurrent CH 227 or 237 is recommended. For CH 111 Introduction to Chemical Principles: prerequisite or corequisite: MATH 111.

Chemistry FIG enrollment will not take place online through Duckweb. Instead, you can join a chemistry FIG at IntroDUCKtion, after you have met with an advisor. **Remember to take your math placement test before coming to IntroDUCKtion. Your advisor will use the test score to help you select the right chemistry track.**

Chemistry FIGs - LIST

Coffee: Chemistry and Culture

Human Genome (DEEP-DIVE)

The Problem with Problems

Science in the News

The Secrets to Success in STEM

What Makes for a Healthy Start? (FIG Runway)

DEEP-DIVE FIGs

DEEP-DIVE FIGs give students a distinct academic experience because they create an immersive learning environment. Some of the DEEP-DIVE FIGs have an intermediate course (which may include 300 level), which are smaller than the courses in many of the other FIGs, and are intended to encourage students to explore subjects in depth. Other DEEP-DIVE FIGs have projects, student groups, performances and more that allow students to really dive deep into subject matter.

DEEP DIVE FIGs - LIST

A Trip Down Memory Lane (DEEP-DIVE)

Animal Behavior (DEEP-DIVE)

Brilliant Imperfection (DEEP-DIVE)

Edible Activism (DEEP-DIVE)

Edible History (DEEP-DIVE)

Environmental Design (DEEP-DIVE)

Food & the Garden (DEEP-DIVE)

Food Matters (DEEP-DIVE)

Hip Hop & Politics of Race (DEEP-DIVE)

Human Genome (DEEP-DIVE)

Oregon Outside (DEEP-DIVE)

Remixing Media, Critiquing Culture (DEEP-DIVE)

Cluster FIGs

Cluster FIGs consist of only one co-enrolled general education course. A secondary 4-5 credit course is required, but students will choose one from a list of options. (Students are responsible for enrolling themselves in the course they select through Duckweb.)

Cluster FIGs - LIST

Paging Dr. Darwin

Course options - **BI 121** Intro to Human Physiology, **PS 205** Introduction to International Relations, **GEOG 142** Human Geography, **WGS 221** Bodies and Power

Students Without Borders

Course options – **BI 121** Intro to Human Physiology, **PS 205** Introduction to International Relations, **GEOG 142** Human Geography, **GEOG 341** Population and Environment, **WGS 221** Bodies and Power

Speak to the World

Course options – Any first-year language course

Reacting to the Past FIGs

Reacting to the Past courses consist of elaborate role-playing games, set in specific historical time periods. The course instructor will act as the gamemaster, determining student roles, preparing students to play, and occasionally guiding the games as they develop. Students learn to construct arguments from historical texts and then support positions through writing and speeches. Small class size. Credits count toward the general education social science group requirement.

Reacting to the Past FIGs - LIST

Enduring Tensions

Gurus and Governors

Hidden History

Radicals and Reformers

FIG Runways

FIG Runways will begin as a FIG in the fall and continue in winter and spring terms. Each FIG Runway will include a faculty member and a mentor called the FIG Assistant (FA).

FIG Runways – LIST

What Makes for a Healthy Start?

Carnegie Global Oregon

What is unique about Carnegie Global Oregon?

Carnegie Global Oregon is a FIG Runway, in which you take a year-long seminar with the same professor and peers. After the fall FIG courses, students enroll in 1-credit seminars in winter and spring to continue exploring the CGO theme. The majority of CGO students remain active in this vibrant learning community throughout their years at the university. This provides a supportive mix for sophomores, juniors, and seniors who meet weekly for class and a meal to explore areas of ethical concern. For more information, visit carnegilobal.uoregon.edu

Clark Honors College Students

CHC students may consider enrolling in the following list of recommended FIGs to help build community in your field of interest, work toward major requirements, and in some cases, work toward CHC curricular requirements. To avoid the potential for duplicating course work if you are coming in with transfer, AP, or IB credit, or if you wish to take a FIG not listed here, you should first speak with CHC's First-Year Academic Advisor, Dr. Angela Rovak (arovak@uoregon.edu), before enrolling in a FIG.
